Name _____ Year in Graduate Program 1, 2, 3,4,5,6,7, _____

Academic Advisor _____ Department _____ Email _____

1. Brief title of project _____

2. Sum requested in aid of project \$ _____ (Please be sure to itemize expenses in your proposal.)

3. Will funds be used for () Equipment & Supplies, () Travel Expenses, () Participant Compensation, () other

4. Have you received a Graduate Student Research Award in the past? Yes ___ No ___ If yes, when _____

5. Will you be requesting funding from other sources for this proposal? Yes ___ No ___ If yes, Where? _____

6. Will your research require IRB or IACUC approval (see Guidelines for details) Yes ___ No ___

6. Estimated time for completing the project _____(or) Begin _____ End _____

7. Attach as Exhibit A a prospectus of the project, including an explanation of its significance and of its relationship to your general scholarly work. The text of this prospectus should be no more than 1,000 words, and should be **comprehensible to colleagues in other disciplines**. The prospectus should describe as specifically as possible the work to be done, the methods to be used and the intended use of the grant money. Progress made with prior GSRAC grants-in-aid should be noted, if applicable. Also, please describe other sources of funding being sought for this project, if applicable.

8. Attach as Exhibit B, not longer than one page, an itemized budget of the financial aid requested, with a justification for each item. If your budget is just one or two items, you can simply describe them in Exhibit A instead of including Exhibit B.

9. Attach as Exhibit C:

- A detailed letter of support from your academic advisor or faculty member familiar with your project, confirming the need for the support, and the significance of the project to your academic career.
- A curriculum vitae.
- Original receipts for prior expenditures for which reimbursement is sought.
